

You're Gonna Miss Me

[Ann Sexton](#)

You say you're leaving me behind
But there's just one thing
I want to put on your mind
You know the love you've been getting (getting)
I'm gonna give it to somebody new (new)
And you're gonna miss me
Oh baby when you're gone
I'm gonna say you're gonna miss me
Oh honey when you're gone

Oh baby what you gonna do
Without the one who really cares for you
Why would you put you love in her hands (hands)
When you know she can't love like I can (can)

You're gonna miss me
Oh baby when you're gone
I'm gonna say you're gonna miss me
Oh honey when you're gone

(You're gonna miss me)
(You're gonna miss me)

You're gonna dignify me sometime
Fall on your knees and cry
You'll cry lord have mercy (have mercy)
You'll cry lord have mercy
You're gonna think about the time
Honey that you hurt and said good bye

And you're gonna miss me
Oh baby when you're gone
I'm gonna say you're gonna miss me
Oh honey when you're gone

(ooh ooh ooohhh)

You say you don't love me no more
You better think about it before you walk
You better think about it baby

Honey if you choose to lose
It's alright with me (it's alright)
It's alright (it's alright)
That's alright (that's alright)

And you're gonna miss me
Oh baby when you're gone
I'm gonna say you're gonna miss me
Oh honey when you're gone

You're gonna lose a good thing when you're gone
You're gonna miss your water when the well run dry
