

To Love Somebody

Michael Johns

There's a light, a certain kind of light
That never shone on me
I want my life to be lived with you
Lived with youThere's a way, everybody say
To do each and every little thing
But what good does it bring
If I ain't got you, if I ain't got youBaby, you don't know what it's like
Baby, you don't know what it's like
To love somebody, to love somebody
The way I love youIn my brain I see your face again
I know my frame of mind
Oh, you ain't got to be so blind
Oh and I'm blind, so, so very blind'Cause I'm a man, can't you see what I am?
I live and I breathe for you
But what good does it do
If I ain't got you, if I ain't got youBaby, you don't know what it's like
Baby, you don't know what it's like
To love somebody, to love somebody
The way I love youOh, oh, you don't know what it's like
Baby, you don't know what it's like
To love somebody, to love somebodyOh, you don't know what it's like
Oh, you don't know what it's like
To love somebody, to love somebody
The way I love you, yeah
