

Win the Battle

Hellraiser

I'm a fighter
I break through the jungles of love
I never lose always win
But I can't get enough My life is a battle
I'm a soldier
My life is a struggle with the death
Win the battle Nothing comes easy to me
That is why I resist
Never say die no surrender
Just fight like a beast My life is a battle
I'm a soldier
My life is a struggle with the death
Win the battle Get out of my way
I'm a dangerous guy
I raise up my sword
I'm ready to fight I gonna conquer the world
Cos I fight till the end
I gonna break all the walls
I got a hammer at hand My life is a battle
My life is a blood
My life is a battle
I'm a winner
My life is a struggle
With the death
