

# Waiting for Silence

## Cavo

You can't watch the clouds roll by this time  
you don't want to be so blind you'll find but I'm miles above you're head  
lives, lies and shattered dreams  
always, always your not waving or drowning at all  
you don't care where your pieces will fall  
they wait for silence  
when they're leaving you bare you can't find your peace of mind with lies  
but you've never been so blind  
you'll find  
and I'm no where to be found lives, lies and shattered dreams  
always, always your not waving or drowning at all  
you don't care where your pieces will fall  
they wait for silence  
when they're leaving you bare you can't find your peace of mind with lies  
but you've never been so blind your not waving or drowning at all  
you don't care where your pieces will fall  
they wait for silence  
when they're leaving you bare your not waving or drowning at all  
you don't care where your pieces will fall  
they wait for silence for all the same reasons they leave you there  
for all the same reasons they leave you there  
for all the same reasons they leave you there
