Someone Like You

Linda Eder

I peer through windows, watch life go by
Dream of tomorrow and wonder why
The past is holding me, keeping life at bay
I wander, lost in yesterday
Wanting to fly but scared to tryBut if someone like you found someone like me
Then suddenly nothing would ever be the same
My heart would take wing and I'd feel so alive
If someone like you found meSo many secrets I long to share
All I have needed is someone there
To help me see a world I've never seen before
A love to open every door
To set me free so I can soarIf someone like you found someone like me
Then suddenly nothing would ever be the same
There'd be a new way to live, a new life to love
If someone like you found meOh, if someone like you found someone like me
Then suddenly nothing would ever be the same
My heart would take wing and I'd feel so alive
If someone like you loved me, loved me, loved me
