

No Substitute Love

Estelle

Oh boy, oh boy
I'm not your substitute lover
Oh no

Say it would have been nice if I could have your body,
Knowing that everybody aint been with you,
But you told me lies, you made me give my heart away, but
Now I know the games you play so im through with you.

[Corus]
Say boy, oh boy
Im not your substitute lover
Oh no

Say boy, oh boy
Im not your substitute lover
Oh no

Now its gonna be a fight, if these chicks keep calling you at night
I see that text you tryna hide, see i know the truth
Must be out of your mind, you thought you never see the day
You thought ill let a player play
But imma up grade you.
Listen boy

[Corus]
Say boy, oh boy
Im not your substitue lover
Oh, no

Say boy, oh boy
Im not your substitute lover
Oh no

Cause see theirs not much you could say
Estelle needs a change, that I finish today
Cause I cant do it no more, I wont be there when you call
So you bets to move on, cause im not gonna be your, your substitute lover
No No No No No No

Now now now
Listen listen come on
Listen

How could you car pool my name like im going out of pressure now
Turn around and act like nothing aint happening,like
Naw nothings cracking, only when you need to cheat
Only when you think about this heartless, you get itch
Thats when you get the itch, baby let me get the b**ch
Boy I hear you thinking, its right by my technis
Acting like a lil boy, playing like a dequoy
You need to grow up like a boy, you aint got nothing boy

Say boy, oh boy
Im not your substitute lover
Oh no

Say boy, Oh boy

I get sick of these fools trying to treat me like a substitute
Ladies if you feel this song why dont you sing along

Say boy, oh boy
Im not your substitue lover
Oh, no

Say boy, oh boy
Im not your substitute lover
Oh, no
