With Me

Ginny Owens

Life is a strange thing, sometimes it's thrilling
And sometimes it gets me down
Some days my world seems so all consuming
I'm afraid, I'm gonna drown
But there's one thing I know for sureThe good days come, the dark days call
But every day You're with me, with me through it all
And I will embrace what every moment brings
'Cause You are with meI cannot measure the pain and pleasure
Life has up its sleeve, my joys and sorrows
Todays and tomorrows are for me, no guarantees
But there's one thing I know for sureThe good days come, the dark days call
But every day You're with me, with me through it all
And I will embrace what every moment brings
'Cause You are with meAnd when life isn't fair
I can still smile
Even in my despair
You're there all the wayThe good days come, the dark days call
But every day You're with me, with me through it all
And I will embrace what every moment brings
'Cause You are with meThe good days come, the dark days call
But every day You're with me, with me through it all
And I will embrace what every moment brings
'Cause You are with me
