

# The Boys Are Back in Town

## Thin Lizzy

Guess who just got back today?  
Them wild eyed boys that had been away  
Haven't changed, haven't much to say  
But man, I still think them cats are crazy They were asking if you were around?  
How you was, where you could be found?  
Told them you were living downtown  
Driving all the old men crazy The boys are back in town  
(The boys are back in town)  
I said the boys are back in town  
(The boys are back in town)  
The boys are back in town  
(The boys are back in town)  
The boys are back in town  
(The boys are back in) You know that chick that used to dance a lot  
Every night she'd be on the floor shaking what you've got  
Man when I tell you she was cool, she was red hot  
I mean steaming And that time over at Johnny's place  
Well this chick got up and she slapped Johnny's face  
Man we fell about the place  
If that chick don't want to know, forget her The boys are back in town  
(The boys are back in town)  
I said the boys are back in town  
(The boys are back in town)  
The boys are back in town  
(The boys are back in town)  
The boys are back in town  
(The boys are back in) Friday nights dressed to kill  
Down at Dino's bar and grill  
The drink will flow and blood will spill  
And if the boys want to fight, you'd better let them The jukebox in the corner blasting out my favorite song  
These nights are getting warmer an' it won't be long  
Won't be long 'till summer comes Now the boys are back in town  
(The boys are back in town)  
The boys are back in town  
(The boys are back in town)  
The boys are back in town  
(The boys are back in town)  
Spread the word around  
The boys are back in town

[Incomprehensible]Been hangin' down at Dino's
