Honey

Moby

Get my honey come back, sometimes
I wanna rap like that, sometimes
I get a hump in my back, sometimes
I'm going over here, sometimesGet my honey come back, sometimes
I wanna rap like that, sometimes
I get a hump in my back, sometimes
I'm going over here, sometimesGet my honey come back, sometimes
I wanna rap like that, sometimes
I get a hump in my back, sometimes
I'm going over here, sometimesGet my honey come back, sometimes
I wanna rap like that, sometimes
I get a hump in my back, sometimes
I'm going over here, sometimesGet my honey come back, sometimes
I wanna rap like that, sometimes
I get a hump in my back, sometimes
I'm going over here, sometimesGet my honey come back, sometimes
I wanna rap like that, sometimes
I get a hump in my back, sometimes
I'm going over here, sometimesGet my honey come back, sometimes
Get my honey come back, sometimes
Get my honey come back, sometimes
Get my honey come back, sometimesWay down yonder, get my honey come back
Way down yonder, get my honey come back
Way down yonder, get my honey come back
Way down yonder, get my honey come backWay down yonder, get my honey come back
Way down yonder, get my honey come back
Way down yonder, get my honey come back
Way down yonder, get my honey come
Way down yonder backGet my honey come back, sometimes
I wanna rap like that, sometimes
I get a hump in my back, sometimes
I'm going over here, sometimes
