

# Prayer

## Christopher Martin

(Chorus)

Cause I was not hard to say poor  
No, no, no, no, no, noo  
And I don't want to live like this no more  
No, no, no, no, no

So on my knees today  
Lord I pray  
Where there's no will, there's a way  
Lord you can see  
My mind is clean and my heart  
This world I've seen you open many doors  
You open one for me and my family

(Verse 1)

Lord I know I won't get off my knees  
And everything I ask for will be granted  
But while am working protect me from the enemys  
They wanna see me stranded  
Dem waan mi tan in a the gutter  
Dem no waan mi mama eat a proper supper  
Your my sword and shield  
My blessings mi a go fah

(Repeat Chorus)

(Outro)

Cars and a house pon the hill  
Wid a nice likkle pool fi go chill  
And a nice likkle girl on the side  
I want it all, my mama deserve the best  
Suh yo know I couldn't settled for less
