Angel

Lorrie Morgan

Spend all your time waiting
For that second chance
For a break that would make it okay
There's always one reason
To feel not good enough
And it's hard at the end of the dayI need some distraction
Oh, a beautiful release
Memory seeps through my veins
Let me be empty
And weightless and maybe
I'll find some peace tonightIn the arms of the angel
Fly away from here
From this dark cold hotel room
And the endlessness that you fearYou are pulled from the wreckage
Of your silent reverie
You're in the arms of the angel
May you find some comfort hereSo tired of the straight line
And everywhere you turn
There's vultures and thieves at your back
The storm keeps on twisting
You keep on building the lives
That you make up for all that you lackIt don't make no difference
Escaping one last time
It's easier to believe in this sweet madness oh
This glorious sadness that brings me to my kneesIn the arms of an angel
Fly away from here
From this dark cold hotel room
And the endlessness that you fearYou are pulled from the wreckage
Of your silent reverie
You're in the arms of the angel
May you find some comfort here
You're in the arms of the angel
May you find some comfort here
