

# If Only I Knew

[Beres Hammond](#)

I must have rehearsed my lines  
A thousand times until I had them memorized  
But when I get up the nerve to tell you the words  
That never seem to come out right  
Oh, if only you knew  
How much I do, do love you  
Oh, if only you knew  
How much I do, do need you, baby  
I dream of moments we share  
But you're not there, I'm living in a fantasy  
But you don't even suspect, could probably care less  
About the changes I been going through  
If only you knew  
How much I do, do love you  
Oh, if only you knew  
How much I do, do need you, play on  
No, you don't even suspect  
Could probably care less  
About the changes  
I been going through  
If only you knew  
How much I do, do love you  
Oh, if only you knew  
How much I do, do need you, baby  
Oh, if, if, oh, you don't know  
How much, you don't know  
I said, you don't know  
How much I need you, sugar  
Only if you knew, how much I do  
I love you, baby, only, only if you knew  
How much I do, I love you, baby  
I need you, baby
