

Ephemeral (Radio Edit)

The Great Discord

Deaf and alone, in a blind home
briefly it shown, Ephemeral Sworn to never mourn,
but now I'm torn to pieces Burning my walls down Cold grip 'round my heart
Slowing down, come apathy Deaf and alone, in a blind home
Briefly it shown, Ephemeral
No scars shown
Clawing so feebly and not fighting back
Deaf and alone, Ephemeral Sworn to never mourn,
but now I'm torn to pieces Burning my walls down, burning my walls down Into nothing, not a thing
Slowing down, come apathy Deaf and alone, in a blind home
Briefly it shown, Ephemeral
Burning my walls down
Burning my walls down
Burning my walls down
Burning my walls down
