

# Morning Train (Nine To Five) - Edit

## Sheena Easton

I wake up every mornin', I stumble out of bed

Stretchin' and yawnin', another day ahead

It seems to last forever, and time goes slowly by

Till babe and me's together, then it starts to fly'Cause the moment that he's with me, time can take a flight

The moment that he's with me, everything's alright

Night time is the right time, we make love

Then it's his and my time, we take offMy baby takes the morning train, he works from nine till five and then

He takes another home again to find me waitin' for himMy baby takes the morning train, he works from nine till  
five and then

He takes another home again to find me waitin' for himHe takes me to a movie, or to a restaurant, to go

Slow dancing, anything I want

Only when he's with me, I catch light

Only when he gives me, makes me feel alrightMy baby takes the morning train, he works from nine till five and  
then

He takes another home again to find me waitin' for himAll day I think of him, dreamin' of him constantly

I'm crazy mad for him, and he's crazy mad for me

When he steps off that train, I'm makin' a fool, a fight

Work all day to earn his pay, so we can play all nightMy baby takes the morning train, he works from nine till  
five and then

He takes another home again to find me waitin' for himMy baby takes the morning train, he works from nine till  
five and then

He takes another home again to find me waitin' for himHe's always on that morning train

He works so hard

To find me waiting for him
