

Brutal Hearts (Melokind's Drum & Perc Edit)

Bedouin Soundclash

Are you the Brutal Heart
Are you the Brutal Heart that I've been looking for
Cause if you're looking for love, you can look for that door
Hearts
Hearts that break the night in two
And arms that can't hold you that true So use me
So use me I don't mind at all
I don't mind that you only call me when you want
And I'm just glad you want me at all
Hearts
And hearts that break the night in two
And arms that can't hold you that true So use me So use me So are we Brutal Hearts
Are we Brutal Hearts that break the night in two
Because I just want this night with you Well I don't like the man
I don't like the man that I am
I just want this night with you
Well then let's take this night from black to blue
Well then let's take this night from black to blue So use me
So use me
