Turn me up, turn me up  
Turn me, turn me, turn me up

Turn me, turn me, turn me up  
Yeah, yeah, yeah, yeah  
Yeah, yeah, yeah, yeah I'm goin' out tonight, it's goin' down  
Headin' straight to the front of the line  
On the fly, on the floor I can't stand still  
And I'm goin' to work like I'm playin' my bills, bills My whole clique's on the floor  
We're gonna party then party some more  
Rose up in the air  
Feelin' good, feelin' great, just got paid They playin' my jam  
They playin' my jam  
They playin' my jam  
They playin' my jam They playin' my jam  
They playin' my jam  
They playin' my jam  
They playin' my jam Turn it up, turn it up, turn it up, turn it up  
Turn it up, turn it up DJ  
Turn it up, turn it up, turn it up, turn it up  
So I can rock the night away, away I'ma burn it out tonight  
It's goin' down by live via satellite  
And all I see is angels in my eyes  
And the buzz got me way up in the sky Maybach in the front  
Pick out any boy that I want  
DJ, here I am  
Feelin' good, feelin' great, just got paid They playin' my jam  
They playin' my jam  
They playin' my jam  
They playin' my jam They playin' my jam  
They playin' my jam  
They playin' my jam  
They playin' my jam Turn it up, turn it up, turn it up, turn it up  
Turn it up, turn it up DJ  
Turn it up, turn it up, turn it up, turn it up  
So I can rock the night away, away Girls in the building, fellas in the club  
Boys spendin' money, girls lookin' good  
I'm on the floor, livin' my life

Feelin' so good, feelin' so right  
Got my hands up, celebrate like it's my birthday  
Five more shots of tequila, I'm thirsty  
Feelin' so good, feelin' so great  
Tonight, tonight, tonight, tonight  
They playin' my jam  
They playin' my jam  
They playin' my jam  
They playin' my jam  
They playin' my jam  
They playin' my jam  
They playin' my jam  
Turn it up, turn it up, turn it up, turn it up  
Turn it up, turn it up DJ  
Turn it up, turn it up, turn it up, turn it up  
So I can rock the night away, away  
Turn me up, turn me up  
Turn me, turn me, turn me up  
Yeah, yeah, yeah, yeah  
Yeah, yeah, yeah, yeah  
Turn me up, turn me up
