World without you (new recording)

Beth Hart

Days 'n nights n' nights n' days,
In silent shades of lazy grays
I call your name, It's all the same
Sitting staring at the ceiling,
Dripping painted pictures peeling
From my walls, The time just crawlsWas it yesterday? I don't know
Was I dreaming? Or did I lose everything I believed in?
If you could only see what I see
Every time you leaveImagine a world with no sky
Imagine the ocean run dry
Imagine and you'll see the view
Of my world without you
Imagine no sun and no rain
Imagine that each day's the same
It doesn't matter what I do
In a world without youDoers doing, Thinkers thinking,
Lonely lover's lips are sinking
In my tea, They're burning me
Wasted weeping, Someone speaking
In my head the bed is leaking tears again
And there's no end
