

Cherry Chapstick

Yo La Tengo

Someone else's date
In someone else's door
There's a girl with cherry Chapstick on and nothing more.
It's such a lurid pose
and she seems this close
But not to meClear as day
Crawling home at night
Wondering why the girls don't look at me when I walk by.
And the way they make me feel is way too real to believeWondering what it could be like if I could be that
smooth
I could think about all that I missed out
It's hard to doSomeone else's date
In someone else's door
There's a girl with cherry Chapstick on and nothing more
It's such a lurid pose
and she seems this close
But not to meRunning around in circles all day long
