Footprints In the Sand

Leona Lewis

You walked with me, footprints in the sand
And helped me understand where I'm going
You walked with me when I was all alone
With so much unknown along the way
Then I heard you sayI promise you, I'm always there
When your heart is filled with sorrow and despair
Ill carry you when you need a friend
You'll find my footprints in the sandI see my life flash across the sky
So many times have I been so afraid
And just when I have thought I lost my way
You give me strength to carry on
That's when I heard you sayI promise you, I'm always there
When your heart is filled with sorrow and despair
And Ill carry you when you need a friend
You'll find my footprints in the sandWhen I'm weary, well, I know you'll be there
And I can feel you when you sayI promise you, I'm always there
When your heart is filled with sadness and despair
Ill carry you when you need a friend
You'll find my footprints in the sandI promise you, I'm always there
When your heart is full of sadness and despair
Ill carry you when you need a friend
You'll find my footprints in the sand
