

# Dead on Your Doorstep

## As Summer Dies

All this has come and left a black mark on me.  
You're not the one  
There's no way it can be ever how it was and still my heart beats for you  
But I can't stay

I no longer cry for all that you've done to me  
I've died you'll never be near me  
I no longer cry  
???  
I've died you'll never be dear to me

Does it deserve more than it seems it should?  
I feel this more deep than I thought I could ever feel or think  
But you mean so much to me now all that's changed

I no longer cry for all that you've done to me  
I've died you'll never be near me  
I no longer cry  
???  
I've died you'll never be dear to me

I felt so much more more than I ever knew it's all because of you  
I can't catch my breath for you  
I've seen so much more more than I ever knew It's all because of you

I CAN'T BEAR THE SIGHT OF YOU!

I no longer cry for all that you've done to me  
I've died you'll never be near me  
I no longer cry  
???  
I've died you'll never be dear to me

I no longer cry!  
I've died you'll never be near me.  
I no longer cry!
