

God Is Always Good

Bowling Family

i dont know why i dont know when i dont know how you'll make it through but i know him and he is god and he is kind sometimes its in the darkest night we find god is always good,god is always good always was always is forever he will be god is always good to you and me he knows your hurt your broken heart he knows everything that lead to where you are, and he'll provide all you need so rest in is unfailing love and see god is always good god is always good always was always is forever he will be god is always good to you and me, god is always good always was always is forever he will be god is always good to you and me.
