

# Ishtar Rising

## Soulfly

By ancient decree  
I call upon thee  
From the heavens  
Asu sunamir  
Ereshkigal, queen of hell  
The seven gates of namtar fell  
Ishtar rising, adonal  
Ishtar rising, adonal  
The ancient law  
The dead will rise up  
The dead will come  
Inhaling the incense deity  
Woe to Babylon  
Woe to the Ishtar  
Ishtar rising  
Ishtar  
Ishtar rising, adonal
