Catch 22

You, you try, you try to get by
You're never going to pull it off
You shouldn't even try
You're a wet cigarette, you're always second best
But they're never going to give a shit
About anybody but themselvesSo you fight for them to realize
There's more to life, there's more to you
There's more than meets the eye
And when you're done the battle's been won
You sit back, you smile
And this is what you hum, you humWhoa, whoa, whoa
12341234You, you try, you try to get by
You're never going to pull it off
You shouldn't even try
You're a wet cigarette, you're always second last
But they're never going to give a shit
About anybody but themselvesYou fight for them to realize
There's more to life, there's more to you
There's more than meets the eye
And when you're done, your battle's been won
You sit back, you smile
And this is what you hum, you humWhoa, whoa, whoa
12341234The years go by, the time, it does fly
Every single second is a moment in time
That passes oh, so quick
And it seems like nothing
But when you're looking back
Well, it amounts to everythingI've got myself, I've got my friends
I've got my little family but that's not where it ends
This one goes out to you
It goes out to everyone
It's in the name of honesty
Because life has just begunWhoa, whoa, whoa
12341234Look around little brother
Can you tell me what you see?
You're a big boy now, so take responsibility
You never had it hard and now it's getting tough
So you whine, whine, whine
And you say you've had enoughYou say I'm full of shit

That I'm a hypocrite
I shouldn't talk when I can't take the advice that I give?
Well, maybe you're right
But open your eyes
The main difference is that I try try tryWhoa, whoa, whoa
12341234Whoa, whoa, whoa
