

Angel

Kirsty MacColl

Love's dreaming, love's sleeping
And when it wakes again
Who knows the company it's keeping
I am dreaming, I am falling
And just before I hit the ground
I hear you calling There's an angel floating round my house
Floating round my house
There's an angel floating round this house Still dreaming I am flying
And far above my room
I thought I heard you crying
I am calling, "Come with me
Come on in and take me by the hand
Come give me what I understand There's an angel floating round my house
Floating round my house
There's an angel floating round this house Love's dreaming, love's sleeping
And when it wakes again
Who knows the company it's keeping
I am dreaming, I am falling
And just before I hit the ground
I hear you calling There's an angel floating round my house
Floating round my house
There's an angel floating round this house There's an angel floating round my house
Floating round my heart
There's an angel floating round this house
Floating round this heart, round this head
