Second to None

Skip The Use

Skinny pants, no Saturday night shoes
Baby I love the way you move
Definetly not the girl next door
Pretty smiles telling me: gimme more
Catch my heart forever, lets make out together!
No she dont come from this town
And tomorrow shell be long gone
Tell me your name, space invader
Drive me insane baby youre second to none
Classic rock tee covering your breast
Youve definetly won the contest
Baby I have no choice but to approve
The other girls are stamped to lose
Catch my heart forever, lets make out together!
No she dont come from this town
And tomorrow shell be long gone
Tell me your name, space invader
Drive me insane baby youre second to none
No she dont come from this town
And tomorrow shell be long gone
Tell me your name, space invader
Drive me insane baby youre second to none
No she dont come from this town
And tomorrow shell be long gone
Tell me your name, space invader
Drive me insane baby youre second to none
