## What So Not

Can you see that?  
Is that how you really feel?  
When I do that  
Is that all you really need?  
When I say this  
Will you come home?  
When I do this  
Will you come home?

Will you come  
Will you come  
Will you come  
Will you come home?

Can you see that?  
Is that how you really feel?  
When I do that  
Is that all you really need?  
When I say this  
Will you come home?  
When I do this  
Will you come home?

Will you come  
Will you come  
will you come  
will you come home?

Can you see that?  
Is that how you really feel?  
When I do that  
Is that all you really need?  
When I say this  
Will you come home?  
When I do this  
Will you come home?
