

# Pick It Up

Candice Pillay

Baby don't hang around  
You're making me sad  
I guess  
I needed more than you had  
And I don't need to run around  
To see who I am  
I guess  
I'll find somebody who can  
[Chorus:] Pick it up (Pick it up)  
Take it for the distance (Pick it up)  
Well you let me down  
Pick it up (Pick it up)  
Help me find the pieces  
You threw around  
[repeat]  
Baby you're a little old  
For me anyway  
I guess  
You only wanted to play  
And I'm not gonna wait around  
'til you understand  
I guess  
I'll find somebody who can  
[Repeat chorus...] Oh Oh Why you gonna make me mad?  
Oh Oh Oh Oh Oh Ohhhhhhhhhhhhhhhhh  
Why you gonna make me sad?  
Baby don't hang around  
Can't you understand  
I guess  
I'm gonna find somebody who can  
[Repeat chorus...]
