

Winner Takes It All

[Sammy Hagar](#)

I watch with open eyes
Till it's time to take it all the way
Hey, every day the game is ours to play
Oh, tell me why there are no alibis 'Cause winner takes it all, loser takes a fall
Fight to the beginning of the end
Winner takes it all, till he breaks the fall
In time he'll make it over the top, hey Hey, you listen when I say
There's a dream oh, that's comin' true today, yeah
Never turn away when the challenge is alive
The choice is yours to make, in every chance you take 'Cause the winner takes it all, loser takes a fall
Fight to the beginning of the end
Winner takes it all, till he breaks the fall
In time he'll make it over the top First the mind, then the soul
And when the heart gets pumped up for the goal
There's no defeat, you'd sooner die
It's man to man as we stand eye to eye Oh, winner takes it all, loser takes a fall
Fight to the beginning of the end
Winner takes it all, till he breaks the fall
In time he'll make it over the top Oh, winner takes it all, loser takes a fall
Fight to the beginning of the end
Winner takes it all, till he breaks the fall
In time he'll make it over the top Winner takes it all, loser takes a fall
Fight to the beginning of the end
