

# Relax

## Tq

Tired of the hustle, tired of the noise  
I'm tired of my woman  
And I'm tired of my boys  
Tired of the city, all the damn traffic  
'Cos I'm tired 'cos what I'm lacking  
Is peace of mind and I gotta have it  
All I wanna do, all I wanna do is relax  
Spend the whole day on my back  
Cell phone is off, so leave a message  
I'ma have to call you back  
All I wanna do is relax  
Sip some lemonade and kick back  
My two way's in the trunk of my car  
So you ain't got to worry about that  
Just relax  
Tired of paying taxes, yeah  
Tired of y'all searching my car, why, why  
I need to be relaxing  
Sipping Cris and eating caviar, oh yeah  
I'm tired of baby, mama  
Always blowing up my phone  
I need to find a way to get gone  
She need to leave me the hell alone  
I'm just a simple man, oh yeah  
And I don't mean nobody no harm  
But I'm gonna have to choke me a  
If they as won't leave me alone  
All I wanna do, all I wanna do is relax  
Spend the whole day on my back  
Cell phone is off, so leave a message  
I'ma have to call you back  
All I wanna do is relax  
Sip some lemonade and kick back  
My two way's in the trunk of my car  
So you ain't got to worry about that  
Just relax  
Slow down, slow down, be easy, don't be easy  
Leave me alone, leave me alone  
Alone, leave me alone

Slow down, slow down, be easy, be easy  
Leave me alone, leave me alone  
Alone  
Every time a telephone rings  
Every time I answer my line  
There's always something going on  
Just enough to stress my mind  
I got to get away and just let it go  
Go spread my wings 'cos you never know  
One day you're here, the next day you're gone  
But while I'm here, I'ma relax baby  
All I wanna do is relax  
Spend the whole day on my back  
Cell phone is off, so leave a message  
I'ma have to call you back  
All I wanna do is relax  
Sip some lemonade and kick back  
My two way's in the trunk of my car  
So you ain't got to worry about that  
Just relax  
All I wanna do is relax  
Spend the whole day on my back  
Cell phone is off, so leave a message  
I'ma have to call you back  
All I wanna do is relax  
Sip some lemonade and kick back  
My two way's in the trunk of my car  
So you ain't got to worry about that  
Just relax
