

Keep the Flame Burning

Hammerfall

Standing at the crossroads where the future meets the past
Oh, can't you feel there's magic in the air
We're noble knights and mighty men, with the power to assay
Faithful and true, let our deeds show you the way
Glorious, we live and we die
Our courage will unite
In our hands we hold the future, carry on
In our hearts eternally, we keep the flame burning
Hear the sound of roaring thunder
And the sound of raging steel
In the battle of thrust
Our spirits will reveal
Glorious, we'd rather die
With honor than to live with shame
In our hands we hold the future, carry on
In our hearts eternally, we keep the flame
Burning deep inside forever, shining on
And in our hearts for all eternity, we keep the flame burning
We stay as we are
Now the first crusade is won
Let it be written
Let it be done
In our hands we hold the future, carry on
In our hearts eternally, we keep the flame
Burning deep inside forever, shining on
And in our hearts for all eternity, we keep the flame burning
