

Milano Mosh (live In Tokyo)

S.O.D.: Stormtroopers Of Death

Can you do the Milano Mosh?You think that, you're really hard

 You think, that you can mosh

 Got your suspenders, and got your boots

 Better wear armor, you [Incomprehensible] fool

 We mosh, until you die

 We mosh, until you fry

 You think, that you can try

But can you do the Milano Mosh?You think that, you're really hard

 You think, that you can mosh

 Got your suspenders, and got your boots

 Better wear armor, you [Incomprehensible] fool

 We mosh, until you die

 We mosh, until you fry

 You think, that you can try

But can you do the Milano Mosh?Mosh, mosh

 Mosh, mosh
