

# Queen Of Hearts

## Juice Newton

Midnight  
And I'm a-waiting on the 12:05  
Hoping it'll take me  
Just a little farther down the line  
And moonlight  
You're just a heartache in disguise  
Won't you keep my heart from breaking  
If it's only for a very short time  
Playing with the queen of hearts  
Knowing it ain't really smart  
The joker ain't the only fool  
Who'll do anything for you  
Laying out another lie  
Thinking 'bout a life of crime  
That's what I'll have to do  
To keep me away from you  
Honey  
You know it makes you mad  
Why is everybody telling everybody  
What you have done  
Baby  
I know it makes you sad  
But when they're handing out the heartaches  
You know you got to have you some  
Playing with the queen of hearts  
Knowing it ain't really smart  
The joker ain't the only fool  
Who'll do anything for you  
Laying out another lie  
Thinking 'bout a life of crime  
That's what I'll have to do  
To keep me away from you  
Lovers  
I know you've had a few  
But hide your heart beneath the covers  
And tell 'em they're the only one  
And others  
They know just what I'm going through  
And it's a-hard to be a lover  
When you say you're only in it for fun  
Playing with the queen of hearts  
Knowing it ain't really smart  
The joker ain't the only fool  
Who'll do anything for you  
Playing with the queen of hearts  
And knowing it ain't really smart  
The joker ain't the only fool  
Who'll do anything for you  
And laying out another lie  
And thinking 'bout a life of crime  
If that's what I'll have to do

To keep me away from you  
Playing with the queen of hearts  
Playing with the queen of hearts  
Playing with the queen of hearts  
Playing with the queen of hearts
