Could It Be Magic

Take That

Sun, sunSpirits move me, every time I'm near you Whirling like a cyclone in my mind You're my life line, angel of my lifetime Answer to all answers I can findBaby I want you come, come, come into my arms Let me feel the wonder of all of you Could it be magic now, now, now and hold on fast Could this be the magic at last?Sun, sun Sun, sunBaby take me high upon a hillside High up where the stallion meets the sun I could love you, yeah build my world around you Never leave you till my life is doneBaby I want you come, come, come into my arms Let me feel the wonder of all of you Could it be magic now, now, now and hold on fast Could this be the magic at last? Woh woh woh time Woh woh woh take me Woh woh woh time Woh woh WohCould it be magic now, now, now and hold on fast Could this be the magic at last?
