This Time the Dream's on Me

Chet Baker

Somewhere, someday
Well be close together, wait and see
Oh by the way,
This time the dreams on meYou take my hand
And you look at me adoringly
But as things stand
This time the dreams on meIt would be fun
To be certain that I'm the one
To know that I, at least, supply the shoulder you cry uponTo see you through
Till you're everything you want to be
It can't be true, but
This time the dreams on meIt would be fun
To be certain that I'm the one
To know that I, at least, supply the shoulder you cry uponTo see you through
Till you're everything you want to be
It can't be true, but
This time the dreams on me
