

# This Time the Dream's on Me

Chet Baker

Somewhere, someday  
Well be close together, wait and see  
Oh by the way,  
This time the dreams on me You take my hand  
And you look at me adoringly  
But as things stand  
This time the dreams on me It would be fun  
To be certain that I'm the one  
To know that I, at least, supply the shoulder you cry upon To see you through  
Till you're everything you want to be  
It can't be true, but  
This time the dreams on me It would be fun  
To be certain that I'm the one  
To know that I, at least, supply the shoulder you cry upon To see you through  
Till you're everything you want to be  
It can't be true, but  
This time the dreams on me
