Picturesque

The Egyptian Lover

And the sun is pouring in
Through the window
And right onto your skin
And I've never seen a portrait
Quite so picturesqueAnd the hours slip away
I always struggle for the right words to say
'Cause how could I try to describe in sentences
That I can't believe a girl like you existsSo don't forget to smile
When you see the sun come out
'Cause your laughter and your love
Are all I've been thinking aboutJust the thought of you sustains me
And that smile of yours
Can make the whole world new
I love the way I feel when I'm with youAnd when you say, "Hello"
It makes me happier than you could ever know
And the way you light up every room
You've ever walked into
Makes me glad that I'm with youSo don't forget to smile
When you see the sun come out
'Cause your laughter and your love
Are all I've been thinking aboutJust the thought of you sustains me
And that smile of yours
Can make the whole world new
I love the way I feel when I'm with youAnd the sun is pouring in
Through the window
And right onto your skin
