

A Love Bizarre

Sheila E

The moon up above, it shines down upon our skin
Whispering words that scream of outrageous sin
We all want the stuff that's found in our wildest dreams
It gets kinda rough in the back of our limousineThat's what we are, we all want a love bizarre
That's what we are, we all want a love bizarreA strawberry mind, a body that's built for two
A kiss on the spine, we do things we never do
Swallow the pride and joy of the ivory towerWe'll dance on the roof, make love on a bed of flower
That's what we are, we all want a love bizarreThe moon up above, it shines on upon our skin
Whispering words that scream of outrageous sin
We all want the stuff that's found in our wildest dreams
It gets kinda rough in the back of our limousineThat's what we are, we all want a love bizarre
That's what we are, we all want a love bizarre
