

Mule

Kenny Burrell

Say you try
But you just can't help your self
want to feel special
Man want to make you feel like everybody else
 Take away your freedom
 Strip away your pride
Say you know you weren't born
 With the blue blood son
 So take your place in line

Where's my mule?
Where's my forty acres
Where's my dream
Mr Emancipator
 Live this way
Might as well meet my maker
Where's my mule?
Where's my mule?

I say trust me
But you say it's too much bother
Yeah, the way the man try to beat you down
 Make you want to kill your brother
 So go on and bust me
 For what's in my mason jar
 Yeah, I owes my soul
 To the company store
 How I'm doing so far?

Where's my mule?
Where's my forty acres
Where's my dream
Mr Emancipator
 Live this way
Might as well meet my maker
Where's my mule?
Where's my mule?

Where's my mule?
Where's my forty acres

Where's my dream
Mr Emancipator
Live this way
Might as well meet my maker
Where's my, my, my, my, my, my mule?
