Torn

Toad the Wet Sprocket

I fear nothing
Besides myself
Please don't touch me
Love like an infant trying to stand upAm I two souls
One hard, one whole?
Am I real?
I don't want to feel anything, anymoreI feel nothing
Besides this pain
Please don't touch me
Love like an infant, scared and crawlingAm I two souls
One hard, one whole?
Am I real?
I don't want to feel anything, anymore
