For Keeps

Gossip

It's just emotion I've never had
Emotion is making me sad
It's just emotion, tying me down
It's just emotion, keeps me hanging aroundIt's the heat calling me
It's the need to be free
Yeah, yeahI don't wanna play for keeps anymore
This time I'm for real
I've heard it once, I've heard it all before
And now our lips are sealedTold you I'd never lie to you
You want something different
Something new, ohhI don't wanna play for keeps anymore
And there is nothing you can doDisappointment is the final word
Devotion is back breaking work
Emotions are irrational
To ignore them would be criticalIt's the heat calling me
It's the need to be free
Yeah, yeahI don't wanna play for keeps anymore
This time I'm for real
I've heard it once, I've heard it all before
And now our lips are sealedTold you I'd never lie to you
You want something different
Something new, ohhI don't wanna play for keeps anymore
And there is nothing you can doGive me something I
Can depend on I
Give me something I
Can rely on, yeahI don't wanna play for keeps anymore
This time I'm for real
I've heard it once, I've heard it all before
And now our lips are sealedI don't wanna play for keeps
I don't wanna play for keeps
I don't wanna play for keeps anymore
And there is nothing you can do, ooh, ooh, ooh, ooh
