

# Love Me Harder

## Andie Case

Tell me something I need to know Then take my breath and never let it go

If you just let me invade your space I'll take the pleasure and take it with the pain  
And if in the moment I bite my lip Baby, in that moment you'll know this is Something bigger than us and beyond bliss  
Give me a reason to believe itCause if you want to keep me, you gotta gotta gotta gotta got to love me harder

And if you really need me, you gotta gotta gotta gotta got to love me harder  
Gotta  
love me harder

Love me, love me, love me

Harder, harder, harderI know your motives and you know mine

The ones that love me, I tend to leave behind

If you know about me and choose to stay

Then take this pleasure

and take it with the pain

And if in the moment you bite your lip

When I get you moaning you know it's real

Can you feel the pressure between your hips?

I'll make it feel like the first timeCause if you want to keep me, you gotta gotta gotta gotta got to love me harder  
(Imma love you harder)

And if you really need me, you gotta gotta gotta gotta got to love me harder (love me harder)

Love me, love me, love me

Harder, harder, harder

Love me, love me, love me

Harder, harder, harderSo what would I do if I can't figure it out?

You got to try, try, try again

So what would I do if I can't figure it out?

I'm gonna leave, leave, leave again

Cause if you want to keep me, you gotta gotta gotta gotta got to love me harder (Imma love you, love you, love  
you)

And if you really need me, you gotta gotta gotta gotta got to love me harder (love me, love me, baby)

Cause if you want to keep me, you gotta gotta gotta gotta got to love me harder (love me harder)

And if you really need me, you gotta gotta gotta gotta got to love me harder (Imma love you harder)

Love me, love me, love me

Harder, harder, harder

(love me, love me, baby)

Love me, love me, love me

(just a little bit, just a little bit harder, babe)

Harder, harder, harder
