

Sexhibition

Janet Jackson

I, 'cause I wanna sexplore you
I, put my hands up on you, babe
I, wanna feel your sexplosion
I and I'm gonna take you on a sexcapade I don't have to figure out
What you're all about
Just to turn you out, oh
Give it to you sexhibition
Never missin' what you're wishin'
I'll drive that ass crazy It's so sensual, incredible
Just let Damita Jo, oh
What you wishin' sexhibition
If you listen, we'll be drippin'
I'll drive that ass I, feel the sexsation
I, feel the pulse and vibration, babe
I, wanna little tastetation, babe
I, no need for a sexplanation I don't have to figure out
What you're all about
Just to turn you out, oh
Give it to you sexhibition
Never missin' what you're wishin'
I'll drive that ass crazy It's so sensual, incredible
Just let Damita Jo, oh
What you wishin' sexhibition
If you listen, we'll be drippin'
I'll drive that ass There's nothing worse than a man out of touch
Let's fix this distance now between the two of us
So tempting, can't help but to touch
Betcha never knew I wanted you so much, so much I, I don't have to figure out
What you're all about
Just to turn you out, oh
Give it to you sexhibition
Never missin' what you're wishin'
I'll drive that ass crazy It's so sensual, incredible
Just let Damita Jo, oh
What you wishin' sexhibition
If you listen, we'll be drippin'
I'll drive that ass I don't have to figure out
What you're all about
Just to turn you out, oh

Give it to you sexhibition
Never missin' what you're wishin'
I'll drive that ass crazyIt's so sensual, incredible
Just let Damita Jo, oh
What you wishin', sexhibition
If you listen, we'll be drippin'
I'll drive that assRelax, it's just sex
