

Mockingbird Song

Travis Oberg

I remember all the people saying bye to me
Remember all the tears like it was yesterday

Oh no

Here we go again

They said it could've been the very best there was
We ended all in ashes and in dust to dust

Oh no

Here we go again

I know a summer mockingbird
Was the sweetest thing I ever heard
So I pray that all my worried questions fade away

Sing me a song so sweet
Sing to me slow and loud
I'll try to sing along with you
And your mockingbird song

I think I found the secret to the universe
But a puzzle for my answer always makes it worse

Oh no

Here we go again

I know love's the only reason that we are free
Love will be forever between you and me

Oh

Here we go

And I know a summer mockingbird
The sweetest thing I ever heard
So I pray that all my worried questions fade away

Sing me a song so sweet
Sing to me slow and loud
I'll try to sing along with you

And if that mockingbird won't sing
If that mockingbird won't sing
Daddy's gonna buy you a diamond ring
And if that diamond ring don't shine

Sing me a song so sweet
Sing to me slow and loud
I'll try to sing along with you
And your mockingbird song

So sweet
Sing to me slow and loud
I try to sing along with you
And your mockingbird song
