

# Fearless (Bonus Edition)

[Kat Perkins](#)

What would you do if you weren't afraid?  
What crazy chances would you take? It's all right here in front of you  
All right here in front of you  
There's no love without heart break Holding out for some day  
But some day's always late  
Counting on that one day  
But you don't have to wait If you live, live fearless  
If you love, love fearless  
Life on overdrive  
Take your chance and fly  
Tonight, we're fearless  
What if you lived your life out loud?  
Not in the silence of your doubt And know their words can cut so deep  
But who the hell cares what they think?  
What if you let yourself be proud? If you live, live fearless  
If you love, love fearless  
Life on overdrive  
Take your chance and fly tonight  
We're fearless And just let it go tonight  
Nothing to lose  
We're flying high tonight  
Me and you No limits, no regrets, no tomorrow  
Tonight we're fearless  
What would you do if you weren't afraid?  
What crazy chances would you take?  
If you live, live fearless  
If you love, love fearless  
Life on overdrive  
Take your chance and fly tonight  
We're fearless Fearless  
So tonight, we're fearless  
What would you do if you weren't afraid?
