

Everybody's Next One

Ambrose Slade

She's all alone, she's lost another one

Met him yesterday, now he's already gone
And though tonight she'll swear it was the last time
A smilin' face will come that knows the right line
And then she'll do all the right things with the wrong guy
And when he's gone, next day she'll sit and wonder why
She doesn't know why she's everybodys next one

'Cause she's afraid that the truth is gonna hurt some

All the pity in the world, ain't gonna help none

She has to realize that to keep one, her ways have to change some
She tries too hard, and she comes on too strong
Digs herself too much, and thinks she can't be wrong
She's too impressed by things that do not matter

To be the queen of hearts is what she's after
And then she'll do all the right things with the wrong guy
And when he's gone, next day she'll sit and wonder why
She doesn't know why she's everybodys next one

'Cause she's afraid that the truth is gonna hurt some

All the pity in the world ain't gonna help none

She has to realize that to keep one, her ways have to change some
She doesn't know why she's everybodys next
one

'Cause she's afraid that the truth is gonna hurt some

All the pity in the world ain't gonna help none

She has to realize that to keep one, her ways have to change some
