

Play

Wally Boy Wonder

(Chorus)

Can you come out to play?

Can you grab the mic and spray?

Grab the mic and spray

Come out to playSpend if you got it

Cash never rotted

Termites spotted

Put to sleep Dilaudid

Foes nibble

While my cash grows

Such a hassle

Guard my castle

Mic cord lasso

Paid from my

whistle spit

Know when this

Missile hits

Pinky size bullets

Pistol clips

Open doors

to Crystal Ships

Rising Mojo

Flash and noble

Intolerance on your mobile

It's global(Pre-Chorus)

Label on the rise

We're able and wise

Unstable your demise

Spark the flame and

revive

Hot tracks

Fans keep 'em groovin'

Don't stop keep it movin'(Chorus)J's love 'em on my feet

Girls love 'em in the street

Hot hooks bangin' beats

Plush whips leather seats

Transmitter spark heat

Catch Twitter and tweet

Both bitter and sweet

Flowers litter kings sneaks and
Peek inside the mind
Of those who put in time
Stayed on the grind
Combined ideas entwine
With others
Who share hunger
For cheddar
The go-getter
Sprinkle the town
With rhyme litter
The mic wetter(Pre-Chorus)
