

End of the Movie

Cake

Two, three, four People you love
Will turn their backs on you
You'll lose your hair, your teeth
Your knife will fall out of its sheath
But you still don't like to leave
Before the end of the movie People you hate
Will get their hooks into you
They'll pull you down, you'll frown
They'll tie you and drag you through town
But you still don't like to leave
Before the end of the movie
No, you still don't like to leave
Before the end of the show People you hate
Will get their hooks into you
They'll pull you down, you'll frown
They'll tar you and drag you through town
But you still don't like to leave
Before the end of the movie
No, you still don't like to leave
Before the end of the show
