Lifted Away

Joseph

When does it end
When do the knots loosen
When is my mind caged inside free to go
I've been focused on what I could lose and I've lost touch
Lost sight of you and what is my own
Mhhhhh Mhhhhh
It's here
Right here where I am
Right here and now
It's here
I'm cutting the chord
Lifted away where this doubt can't hold me down
Give me the rope that is tied around your neck
I'll cut it away
I'll set you free as you should be
Longer must we live under these burdens
Your my beloved, my kin, no more a slave
Mhhhhhh Mhhhhhh
It's here
Right here where I am
Right here and now
It's here
I'm cutting the chord
Lifted away where this doubt can't hold me down
I don't need to worry about tomorrow
All the work I need is what's at hand
I don't need to worry about tomorrow
All the love I make is what will stand
I don't need to worry about tomorrow
All the work I need is what's at hand
I don't need to worry about tomorrow
All the love I make is what will stand
Here
Right here where I am
Right here and now
It's here
I'm cutting the chord
Lifted away where this doubt can't hold me down
Where this doubt can't hold me down

Where this doubt can't hold me down
Where this doubt can't hold me down
Where this doubt can't hold me down
