

## The Gaslight Anthem

Have you seen my hands  
Just look at 'em shake  
And the song just keeps on repeating  
Drop the needle again  
And I dance with your ghost  
Oh, but that ain't the way  
I can't move on and I can't stay the same  
And all my friends say Hey hey, turn the record over  
Hey hey, and I'll see you on the flip side  
There you go, turn the key and engine over  
Let 'er go, let somebody else lay at her feet  
But have you seen my heart  
Have you seen how it bleeds  
And the nights are so long, baby  
Out here in the deep  
The tick, ticking of hours, lonely  
I hear the alarm  
I used to hear when she would sleep in my arms  
But better sense says Hey hey, turn the record over  
Hey hey, and I'll see you on the flip side  
There you go, turn the key and engine over  
Let 'er go, let somebody else lay at her feet  
And all my friends say  
Hey hey, turn the record over  
Hey hey, and I'll see you on the flip side  
There you go, turn the key and engine over  
Let 'er go, let somebody else lay at her feet  
Where you used to be  
Where you used to be  
Where you used to be here with me
