

Old Love

[Eric Clapton](#)

I can feel your body
When I'm lying in my bed
There's too much confusion
Going around through my head It makes me so angry
To know that the flame still burns
Why can't I get over?
When will I ever learn? Old love, leave me alone
Old love, go on home I can see your face
But I know that it's not real
Just an illusion
Caused by how I used to feel It makes me so angry
To know that the flame will always burn
I'll never get over
Know now that I'll never learn Old love, leave me alone
Old love, go on home Old love, leave me alone
Old love, go on home
